About 5<sup>th</sup> Collection

표현자로서, 수많은 사람의 마음을 가볍게 흔들여 주는 게 아니라 한 사람의 마음을 꼭 찔러주는 표현을 하고 싶다. 얼굴이 보이지 않는 수많은 사람들을 향해 받기 쉬운 슬로볼을 던지기보다 바로 저기에 있는 당신을 향해 똑바로 날아가는 초강속구를 던지고 싶다. 보편적인 작품을 만들어 밀리언 셀러를 터뜨리고 싶다는 욕심도 물론 있지만 고무로 같은 보편성이 아니라 존 레논 같은 보편성을 추구하고 싶다. 단 한사람에 대한 깊고 강렬한 마음을 철저히 궁구해서 그것을 통해 당게 될 '마음속 깊은 곳에 있는 따스한 것' 으로 수많은 사람들과 공감하고 싶다. 인간의 마음속에 깃든 따스한 것만은 지금도 옛날도, 동양도 서양도, 본질적으로 다르지 않다고 생각하니까.

As an Artist. Instead of lightly touching the hearts of millions I'd rather express myself so that it stabs into the heart of one. Instead of tossing an easy-to-catch, slow-ball to a bunch of faces I can't even make out. I'd rather throw a straight, super-fast-ball directly to you, right there. Naturally, I have a desire to create a universal piece that becomes a MILLION SELLER But instead of the universality of KOMURO. I seek the universality of LENNON .Probing into the deep, strong thoughts for "one" and working your way to that "warm and fuzzy feeling deep down inside the heart" I want to connect to many people in this way because in the past and in the present in the East and the west I believe that "warm and fuzzy feeling" in people's hearts are essentially the same.

Ayumu Takahashi is a modern-day bohemian born in Tokyo in 1972.

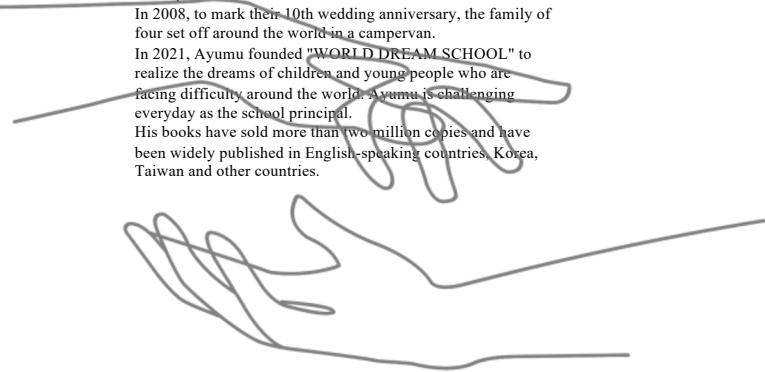

He established Sanctuary Publishing to publish his bestselling autobiography *Every day is an Adventure* and numerous other popular literary works.

At 26 he married the love of his life, Sayaka, and handed management of his publishing company to friends to once again chase his dreams. Three days after their wedding, the couple set off on a two-year global adventure taking them from Antarctica to the Arctic and dozens of countries in between. He also continued with his writing, establishing publishing companies in Tokyo and New York while simultaneously working on a range of projects around the globe including establishing restaurants and guest houses in Tokyo, Fukushima, New York, Bali, India and Jamaica, and founding free schools for impoverished children in India and Jamaica.

In 2008, to mark their 10th wedding anniversary, the family of four set off around the world in a campervan.

In 2021, Ayumu founded "WORLD DREAM SCHOOL" to realize the dreams of children and young people who are facing difficulty around the world. Ayumu is challenging everyday as the school principal.

His books have sold more than two million copies and have been widely published in English-speaking countries, Korea, Taiwan and other countries.
